

GARBAGE TRUCK SAFETY

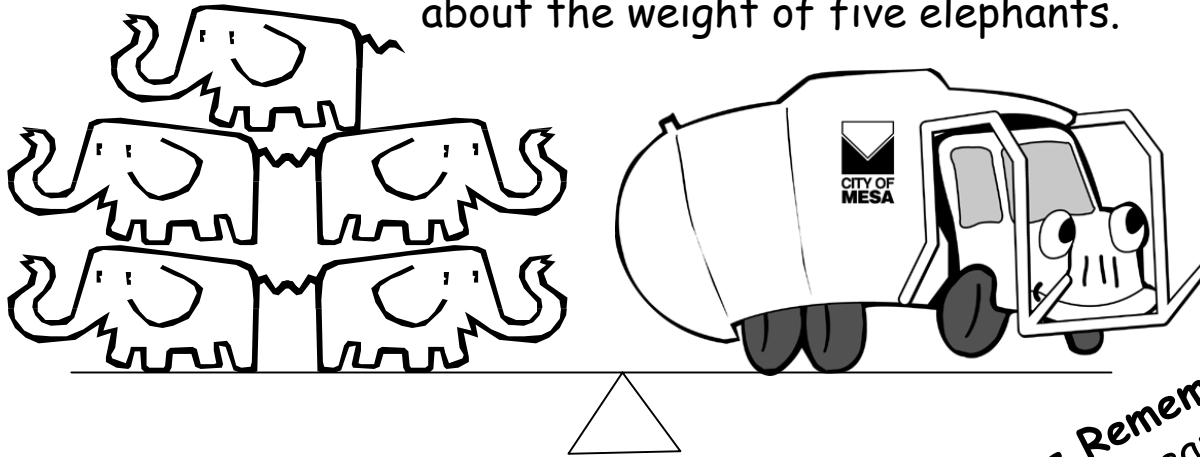

Always wave "hello" when you see a Mesa garbage truck!

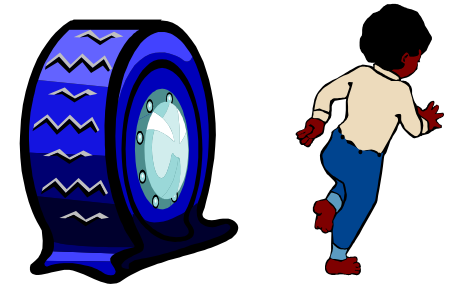

GARBAGE TRUCK SAFETY

Did you know that ...

Garbage trucks weigh 25 tons,
about the weight of five elephants.

Always Remember:
Do not play near trucks
If you can not see the garbage man, he can not see you
Keep your pets away from the truck
Help keep everyone safe, tell your family not to play around garbage trucks

Garbage truck tires are as tall
as an average five-year-old.
